

Email from Jeanne “Sandy” Sofios about the Coleman family reunion in Canton

(Jeanne, also known as Sandy, is the daughter of my cousin Leslie Coleman, who is the son of my great uncle Samuel Coleman, who was the brother of my paternal grandfather Arthur Roy Coleman)

Tom...

I cannot tell you how much we all enjoyed meeting all of you. What an amazing family you are. You have done a beautiful job on your family booklet. I just got a chance to read it yesterday. I am so impressed with your hours of work.

The good thing is that it will help the future Coleman's better understand their heritage. Thank You so much for all your effort and for joining our Coleman clan. We look forward to many more meetings.

Sending Our Love to all of the Roy Coleman branch.

Jeanne
