Dear (50% Steil) Cousins,

I believe I have come to the finish line as far as the Steil line goes. That is, I have come to the end of the data I have and the enclosed is my contribution to the Steil posterity.

Look it over, mark any errors, fill in any blanks that have subsequently come to light. Forward those pages (marked up) and I will re-issue them after updating.

Bob, the Kevin Steil in Chicago that you gave my name to has contacted me. I intend to forward a copy of these pages to him and perhaps he has some data that fits. After all Gregor Steil came to Detroit from Chicago, so who knows.

Best Regards,

PS - Barbara sends her love to all of you.

SECTION S - FAMILY GROUP RECORDS FOR MALE DESCENDANTS  
of  
PETER STEIL

This section gives the Family Group Records for couples carrying forward the Steil name. Included in the records are date and place of the birth, marriage, and death of each family member, if known. No records have been set up for either unmarried Steils or for married female Steils since this path would not lead to more Steils.

No dates available on Peter and Anna Endres; but based on their child's birth date they must have been born around 1800-1810.

Have nothing to indicate that there were any children other than John Peter. Most probably there were, and that being the case, John Peter might not be their first child making Peter and Anna's birth dates even more uncertain.

Gregor was a carpenter who mainly built houses; little else is known about him.

Nothing is known about Katherine. The spelling of Katherine's family name as "Ackels" is believed to be correct; although a spelling of "Askels" appears on some materials.

Assume eldest son was named after Gregor and name was anglicized to George.

Oldest daughter, Anna, married John Phillip Ladensack and is the mother of Barbara Werling whose husband is compiling these data.
